## Report on the Audit of Financial Statements

### Opinion

We have audited the financial statements of **Basix Krishi Samruddhi Limited** ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March, 2024, the statement of profit and loss, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31<sup>st</sup> March, 2024, its profit, and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon. The Directors' report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial

controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibility for the Audit of Financial Statements

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Report on other legal and regulatory requirements

- i. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- ii. As required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this report are in agreement with the books of accounts;
  - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
  - e) On the basis of the written representations received from the directors as on March 31, 2024 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of sub-section (2) of section 164 of the Companies Act, 2013;
  - f) With respect to the adequacy of internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B" issued under Clause (I) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")
  - g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its managing director during the year is in accordance with the provisions of section 197 of the Act.
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
    - i. The company does not have any pending litigations which would impact its financial position.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
    - iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested by the company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries  
b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any

- guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) In our opinion and based on the audit procedures we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year
- iii. Based on our examination, which included test checks, we observed that the accounting software utilized by the company for maintaining its books of account lacks an audit trail (edit log) feature. Furthermore, it has been noted that this functionality has not been implemented throughout the fiscal year for recording all pertinent transactions within the software system.

## ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF BASIX KRISHI SAMRUDDHI LTD [the 'Company']

### Report on the Internal Financial Controls under Clause (l) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s **BASIX KRISHI SAMRUDDHI LTD** ("the Company") as of 31 March 2024 dated in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note")

#### Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

# V NAGARAJAN & CO.

Chartered Accountants

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls Over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Financial Statements for the year ended as on March 31,2024

(All amounts in Lakhs except otherwise stated)

**1 Note on Activities of the Company:**

1.1 Basix Krishi Samruddhi Limited (herein referred as "the Company" or "Krishi"), aims to integrate agricultural extension services with input and output market linkages to increase the productivity and market value of small & marginal farmers by aggregating them as Farmers interest groups or as Farmer Producer Organizations (FPOs). These services cover the entire life cycle of the farmers' business, from assistance with improved input procurement, to technologically improved production processes, to improve market access for their crops. It is to create a supply chain for mainstream agro-commodities, based on environmentally and socially friendly production system.

Krishi Products and services cover provision of quality seed, and other inputs, soil testing , vermi composting, good agricultural practices (GAP) technical support, local value addition, risk mitigation and alternate market linkages; implying that all these services along the value chain have to meet environmental and social standards. Krishi has evolved to provide a holistic suite of products and services in an integrated manner for the farmers in agriculture and allied sectors.

Krishi also provides strategic advisory services to Government, agri-based companies and Corporate Social Responsibility (CSR) Projects.

**2 Significant Accounting Policies:**

**2.1 Basis of preparation of financial statements:**

The financial statements have been prepared under historical cost convention on an accrual basis and in accordance with generally accepted accounting principles in India and specifically to comply in all material respects with the notified Accounting Standards (AS) issued under the Companies (Accounting Standards) Rules, 2006 and the relevant provisions of the Companies Act, 2013 ('the Act'). All amounts have been rounded off to nearest lakh, unless otherwise indicated

**2.2 Use of estimates:**

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amount reported in the financial statements and notes thereto. Differences between actual and estimates are recognized in the period they materialize.

**2.3 Revenue recognition:**

2.3.1 Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue measured and collectability is reasonably assured.

2.3.2 Revenue from fixed price contracts for agricultural and business development services is recognized on a straight line basis over the specified period of contract.

2.3.3 Income from service contracts is recognized on the basis of proportionate completion of the contract with reference to the stage of performance.

2.3.4 Dividends are recognised as other income in profit or loss when the right to receive payment is established. This applies even if they are paid out of pre-acquisition profits unless the dividend clearly represents a recovery of part of the cost of the investment.

**2.4 Property, plant and equipment and depreciation:**

**2.4.1 Initial recognition and measurement**

Items of property, plant and equipment are measured at cost less accumulated depreciation/ amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

**BASIX KRISHI SAMRUDDHI LIMITED****Significant Accounting Policies and Notes on Accounts as on March 31, 2024**

(All amounts in Lakhs except otherwise stated)

**2.4.2 Derecognition**

Property, plant and equipment is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

**2.4.3 Depreciation**

Depreciation on Property, Plant and Equipment is provided on Straight Line Method over the useful lives of assets as specified in schedule II of the Act. Depreciation is calculated on pro-rata basis from/to the date of addition/deletion.

The rate assumed for calculating the depreciation under Straight line method is calculating as per Part- C of Schedule-II of Companies Act, 2013 as follows:

Class of fixed assets	Useful Life	Rate	Residual Value
Furniture & Fixtures	10 Years	9.50%	5%
Office Equipment	5 Years	19%	5%
Computers & Peripherals	3 Years	31.67%	5%

**2.4.4 Amortization**

Amortisation is computed to write off the cost of assets less their estimated residual value over their estimated useful lives using the straight-line method, and is included in amortisation in Statement of Profit and Loss.

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

2.4.5 Assets costing upto Rs. 5,000 individually are fully depreciated in the year of purchase.

**2.5 Employee Benefits**

2.5.1 Short term employee benefits including salaries, social security contributions, short term compensated absences (such as paid annual leave) where the absences are expected to occur within twelve months after the end of the period in which the employees render the related service, profit sharing and bonuses payable within twelve months after the end of the period in which the employees render the related services and non monetary benefits (such as medical care) for current employees are estimated and measured on an un-discounted basis.

2.5.2 **Defined Contribution Plan:** Company's contributions paid / payable during the year to Provident Fund and Pension fund are recognized in the Profit and Loss Account.

2.5.3 **Defined Benefit Plan:** Liabilities for gratuity funded in terms of a scheme administered by the Life Insurance Corporation of India, are determined by Actuarial Valuation on Projected Unit Credit Method made at the end of each financial year. Provision for liabilities pending remittance to the fund is carried in the Balance Sheet.

**2.6 Investments:**

Long-term investments are shown at cost. Provision for diminution in value is made, if in the opinion of the management the decline is considered other than temporary. Current investments are shown at cost and the fall in value as compared to cost is provided for.

**2.7 Foreign currency transactions:**

All transactions in foreign currency are recognized at the exchange rate prevailing on the date of transactions. Liabilities and receivables in foreign currency are converted at the exchange rate prevailing at the close of the financial year and net gain or losses are recognized in the statement of profit and loss account.

**2.8 Provisions and contingencies:**

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made, when there is a possible obligation or a present obligation that will probably not require outflow of resources or where reliable estimate of the obligation can not be made.

Financial Statements for the year ended as on March 31, 2024

**2.9 Employee Benefits**

i) The Company has taken a group gratuity policy for its employees with the Life Insurance Corporation of India (LIC). Under this policy the eligible employees are entitled to receive gratuity payments upon their resignation or death in lump sum after deduction of necessary taxes upto a maximum limit of ₹2,000,000, as per the provisions of Payment of Gratuity Act, 1972.

ii) The information required for disclosure under Accounting Standards (AS)-15 made is available in Note 30.

**2.10 Accounting for taxes on income:**

Deferred tax expense or benefit is recognised on timing differences, being the difference between taxable income and accounting income that originate in one period and is likely to reverse in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

In the event of unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only to the extent that there is virtual certainty that sufficient future taxable income will be available to realise such assets. In other situation, deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available to realise these assets.

**2.11 Earning per share:**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**2.12 Operating Cycle**

The Company presents assets and liabilities in the balance sheet based on current and non-current classification.

**An asset is treated as current when it is**

- Expected to be realized or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

**A liability is current when:**

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.
